ABOUT THE INSTITUTION

An admiration in the field of Engineering education, Joginpally B.R.Engineering College, a part of the visionary Sri J.Bhaskar Rao’s accomplishment, observed its inception in the year 2002 with the lofty aim of providing quality professional education and meeting the rising expectations of the student community in Andhra Pradesh. J.B.R Educational Society has been working relentlessly towards the objective of achieving excellence in the fields of Engineering, Management, Hospitality and Information Technology. J.B.R.E.C was sponsored and established by J.B.R. Educational Society that had been a wide canopy, created by progressive, dynamic and productive management, for a lot of institutes marked for Excellencies in academic records. Recognized by AICTE and affiliated to JNTU the institute has had its vision, mission and the quality policy and objectives as indicated in the annexure enclosed herewith. Having been counted as one of the best institutions of its kind in Andhra Pradesh, three batches of its students have successfully emerged out of its portals, after four years of rigorous training under the tutelage of the most venerable teachers, engineers and scholars, and are now ready to conquer the horizons and create new worlds.

LOCATION & CAMPUS

Nestled in the woods in the outskirts of Hyderabad, the college finds its place in the vicinity of the village Bhaskar Nagar Yenkapally, Ranga Reddy (dist), about 18 Km from Mehdipatnam, on the Highway to Vikarabad, and is well connected to the twin cities and at much accessible distance from the Hyderabad Railway station and Hyderabad Airport. Apart from the basic facilities available within the campus, our students can approach the city shops and services within 30 minutes drive from the college.

ABOUT THE DEPARTMENT

The Department of Computer science & Engineering is renowned for imparting state of the art undergraduate education and preparing its students for real world challenges. The fact that the department attracts the brightest students from the country who score very good ranks in the EAMCET & AIEEE is one of the factors of its glory. As a champion of one of the fast developing disciplines that demands rigorous practical analysis, the department pronounces the possession of well equipped Laboratories at which the main focus is laid on logical reasoning in every practical application. With the entire qualified and talented faculty, the department boasts of a unique mode of learning; the one that uses advanced aids for teaching.
