

JOGINPALLY B R ENGINEERING COLLEGE

Accredited by NAAC, Approved by AICTE & Affiliated to JNTUH

Startups on campus

A startup concept documentation is a document that comprehensively presents a Startup idea. It works as a roadmap to outline all the Startup related details and defines. It works as a guidebook for you keep track of everything involved.

A Startup concept documentation helps to validate a concept and feasibility of the idea when you're trying to gain support from any outside investors.

Startup Stories

Get to know successful founders as well as alumni from Joginpally B R Engineering College who will talk about their personal startup stories of success and failure and share their founding experiences with you. A real necessity for anyone who wants to take the plunge into entrepreneurship!

Tips:

- **STARTUP STORIES:** Listen to entrepreneurial success stories and stories of failure!
- **INSPIRATION:** Watch successful entrepreneurs pitching!
