

4.3 IT Infrastructure

4.3.1. Institution frequently updates its IT facilities including Wi-Fi

The IT infrastructure of the college is maintained by trained and experienced professionals well supported by an experienced team of Network and System Administrators. The objective of IT Infrastructure is to provide state-of-the-art and robust hardware facility, softwares and networking support for securely running the College Academics, Administration, Examinations and Research related activities. It has been the epicentre of all network and application needs of the College since its inception and efficiently manages the IT infrastructure.

1. Systems:

The institute has 700 systems in various labs exclusively to meet the curricular requirements. More than 50 systems are available for administrative, HOD's Offices, staff Rooms and exam branch needs. All systems have optical mouse's. 30 printers are available in the campus. The exam branch has a high speed multi tray scanner cum printer. All HOD's, Administrative Office and TPO have scanner cum printers. All staff rooms have printers.

2. UPS:

All computer laboratories are having UPS backup of 30 minutes and also solar power backup.

3. Networking and Internet:

All systems in the Institute are networked through leased line and BSNL line for Internet Maintenance & support. The current internet connectivity is 300 MBPS

4. Wi-Fi:

Wi-Fi connectivity was given to all the students and staff members. Wi-Fi routers are fixed at various locations to improve connectivity. Currently the whole campus is Wi-Fi connected. Wi-Fi facilities provided to Boys & Girls Hostels.

5. Wi-Fi Hot Spots:

At present 12 hotspots are fixed at different locations,

6. Fire walls:

One fire wall is available to control internet facility in the Institution.

7. Software:

The institute has all requisite softwares as per the curriculum. Based on JNTUH curriculum constantly upgrades the softwares. As recommended by AICTE, few free and open source software's are being used. System Software's, Application software's Microsoft Licence software is available in the Institute.
