BEST PRACTICE I

Title of the Practice: Bridging the Gap between Industry and Institute

Objectives:

1. Memoranda of Understanding between the Institute and industries to bring the two sides emotionally and strategically closer.
2. Students visiting industries to gain knowledge
3. Organizing Workshops, conferences and guest lecturers with joint participation of the faculty and the industries.
4. Professional consultancy by the faculty to industries.
5. B.Tech and M.Tech Projects/dissertation work in industries under the joint guidance of the faculty and experts from the industry.

The Context

With the advent of globalization and opening up of the Indian economy to the outside world, competition among industries has become stiff. The companies are introducing new technologies and engineering methodologies to solve their engineering problems.

The institution has taken the initiative to interact with various industries through the Industry Institute Interaction Committee that maintains professional relations with industries. Industrial visits are arranged for students and faculty members to gain practical exposure and keep abreast of their knowledge. To achieve academic excellence, students are encouraged to interact with industries and research organizations through Seminars, Workshop, industrial visits, sponsored projects, training programs, internships, consultancy etc. Industry professionals are regularly invited to share their knowledge with the students. It opens up a fresh avenue for enthusiastic young minds and faculty

JOGINPALLY B.R. ENGINEERING COLLEGE

members to develop skills across diverse areas, including managerial skills, social responsibilities and Industrialization.

The Practice

To strengthen the Institution Interaction with Industry, the institution is a member of reputed Industry professional bodies. The institution interacts with some industries which provide numerous interventions, architect solutions, recommendations and training to academia throughout the year. JBREC focuses on faculty development programs, student development programs and international linkages. The industrialization program is aimed at developing Meaningful relationships with industries to create and strengthen mutually beneficial relationships between Institution and Industry.

Evidence of Success

The outcome of this practice is connected new curriculum development, faculty development programs, developing better teaching practices, building industry partners for internship, having industry expert ecosystem with strong backup from management of engineering colleges. This consistent ecosystem should provide new thoughts and latest happenings in a motivating and thought provoking manner

Introduction

Koha is a state of the art library management software. It is open source software and hence one can use it free of cost. Koha allows total customization and complete control of library data at a fraction of the cost of a proprietary system. Its main strength is its web accessibility and ease of use. Libraries

27 May 2019

Dear Sir/Madam,

Greetings from IIT Bombay!

We are glad to announce a **One Day Python workshop for Teachers**. This is being organised by the Teaching Learning Centre (ICT) at IIT Bombay, funded by the *Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT)*, an initiative of the Ministry of Human Resource Development, Government of India. I am writing this mail to invite you to attend this workshop at a Remote Centre convenient to you.

Attending this workshop (on Python) and doing well in it is a pre-requisite to enroll in a workshop on AI/Machine learning that we plan to conduct subsequently.

Details of the current programme are given below:

Workshop Name: One Day Python workshop for Teachers

Who should attend? Teachers and Research Scholars

Date: Saturday, 22 June 2019

Venue: 180+ Remote Centres of ours, a list of which will be available through this link <http://tiny.cc/8j476y>

How the workshop will be conducted:

It will be a one day workshop, on **22 June 2019**. We will interact live through A-VIEW at the beginning. After that, all of you will learn Python using spoken tutorials, guided by the Course Coordinator in the Remote Centre you attend. We will answer your questions, if any, using a Forum, especially designed for distributed learning. In the evening, we shall connect through A-VIEW again, carry out discussions and end the programme. There will be about 4 to 5 hours available for Python training and two hours for interactions, a detailed schedule of which will be made available later.

You will have to pay **Rs. 100** as a course fee to IIT Bombay at the time of registration, and **Rs. 400** to the Remote Centre directly at the time of the

workshop, using which, they will make available lunch and coffee/tea/snacks. Balance amount, if any, will be used by the Remote Centre to pay for the maintenance of their infrastructure.

Procedure to participate in the workshop:

To participate in this workshop, please register at <https://www.it.tlb.ac.in/ameet/> and follow the instructions. The registration portal will open on 28 May 2019 and will close on 20 June at 12.30 pm.

Please feel free to bring this information to the attention of your colleagues and friends, anywhere in India, and encourage them to join. Please note that this workshop may be useful to senior teachers of schools as well.

We look forward to your enthusiastic participation in this initiative.

Regards,

Prof. Kannan Moudgalys

Coordinator will have to travel to a nearby Remote Centre on 25 May 2019. The travel and accommodation (for 1 night) will be provided at the remote centre as this shall be taken care of by IIT Bombay. Stay arrangement in all the remote centres is not guaranteed and it is subject to availability. You will have to bear their travel expense, as we will not pay. In addition there will be a nominal **course registration fee of Rs. 200**. There will be a certificate of participation to all who undergo the Coordinators' Workshop.

Procedure to participate in the Coordinators' Workshop:

If your RC is willing to participate in this workshop, please login to the website (<https://www.it.iitb.ac.in/nmeict/>) using your RC's email id credentials and express your willingness by filling the seating capacity before 5 pm on **Monday, 13 May 2019**. Please also send an email to coutreach@cse.iitb.ac.in with the name, email address, and phone number of your representative that you will be nominating.

Please also ask your Course Coordinator to register on our website between **14 and 24 May 2019**. The registration website is here: <https://www.it.iitb.ac.in/nmeict>

We look forward to your enthusiastic participation in this initiative.

1. Introduction

IIT Bombay has conducted many large-scale teacher training workshops under the Train 10,000 Teachers (T10KT) programme, sponsored by the National Mission on Education through ICT (NMEICT), MHRD, Govt. of India, and trained over 2,00,000 teachers.

Another successful technology developed at IIT Bombay is Spoken Tutorial, using which about 50 lakh students have been trained on various ICT topics. The effectiveness of this method can be seen from the testimonials available here: <https://spoken-tutorial.org/testimonials/media/?foss=70> and this TEDx talk. The Spoken Tutorial project is also implemented successfully at IIT Bombay, with funding from NMEICT, MHRD.

It is now proposed to offer the highly effective Spoken Tutorial based ICT training to a large number of teachers, across the country, through the T10KT methodology, with Python training being taken up next.

Python is a very versatile and easy-to-learn programming language with an extensive library of open tools allowing users to solve a variety of problems. Python has a rich ecosystem of libraries and tools for scientific computing and data science. There are libraries that provide a powerful interactive computing environment both on the console as well as on a web-browser. Python can interface relatively easily with other well-established languages like FORTRAN/C and C++. In addition to this Python also has libraries to build user interfaces, build web applications, interface to hardware, and a whole host of other domains. This makes Python an excellent language to learn opening up a world of possibilities to users who desire to use their computers more effectively.

The FOSSEE (Free/Libre and Open Source Software for Education) project at IIT Bombay (<https://fossee.in>) has been promoting Python, and other FOSS software, such as Scilab, OpenOAM, eSim, Osdg, OpenModelica, DWSIM & R, and Open Source hardware, such as Arduino and OpenPLC. FOSSEE is also funded by NMEICT, MHRD, Government of India has mandated the use of open source software.

The Python workshop is organised by the Teaching Learning Centre (TLC) at IIT Bombay, funded by the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMNMNTT), MHRD, Govt. of India. As Spoken Tutorial method offers hands on practice, with 100% active learning,

users simultaneously. Faculty members can use Yaksh to evaluate their students.

4. Teaching faculty

- Prof. Prabhu Ramchandran, Co-Principal Investigator, FOSSEE project
- Python Team members, FOSSEE, IIT Bombay

5. Course Fee

Every participant has to pay Rs. 100 as the course fee to IIT Bombay at the time of online registration. On the day of the workshop, i.e. on 22 June 2019, they have to pay Rs. 400 to the Remote Centre that they would be attending, to defray the cost of organising the workshop, lunch, and coffee/tea. Please note that the registration fee once paid is neither refundable nor adjustable under any circumstances.

6. Who should attend?

As this workshop is not subject-specific, teaching faculty from all domains (engineering, sciences), and polytechnic colleges, and PGT of schools, can attend. Teachers registered in a Masters or a PhD programme, during their employment as a teacher, can also participate.

7. Criteria for issuing Certificates

E-certificate will be provided to the participants after successful completion of the workshop and filling up the feedback form.

8. Duration and Venue

The workshop will be conducted on Saturday, 22 June 2019 from 9.30 AM to 6.00 PM at Remote Centres of IIT Bombay. This workshop will be conducted through a blended mode, using both live video conferencing facility (A-VIEW) and hands-on sessions using Spoken Tutorials. A detailed workshop schedule will be available soon.

9. How to apply?

Enrollment will be strictly online, and no other mode of application will be entertained. The last date of registration is 20 June 2019, 12.30 pm. The URL for registration is: <http://www.it.iitb.ac.in/nmeict/announcements.html>

Register on the Spoken Tutorial Website:

those who undergo this training will be able to start using Python immediately after the workshop. They will also be able to conduct Python workshops for their students, using Spoken Tutorials, on their own, without requiring any help from anyone else.

The one day Python workshop will be conducted on Saturday, 22 June 2019, through select Remote Centres of IIT Bombay. This will be a blended training programme that uses A-VIEW for live interactions and Spoken Tutorials to learn to use Python. The medium of instruction for this workshop is English.

2. Methodology of the Large-scale Workshop

It will be a one day workshop, on 22 June 2019. All participants will have to go to their chosen Remote Centre. They will learn Python through Spoken Tutorials, with help from Coordinators, already trained for this purpose by IIT Bombay. As the learning will happen only through carefully designed Spoken Tutorials, designed and developed at IIT Bombay, the quality of learning will be very high. All the participants, from all the Remote Centres, will be able to interact with the Python team at IIT Bombay, ask them questions, etc., through the video conferencing software A-VIEW and a timed discussion forum. There will be about 4 hours available for Python training and 2 hours for interactions.

3. Outline of the workshop

The workshop will have two parts:

- (a) About 3.5 hours will be used in Learning Python from Spoken Tutorials.
- (b) About 30 minutes will be used to learn about the excellent Python content, developed by FOSSEE.

3 (a) Learning Python from Spoken Tutorials

Depending on the level of the user, one can learn any/all of the topics mentioned below. If one cannot complete all the topics, one can complete them later on, through self-learning, as all required Spoken Tutorials are freely available.

Getting started: Getting started with IPython, Using plot commands interactively, Embellishing a plot, Saving plots, Multiple plots, Subplots, Additional features of IPython, Loading data from files, Plotting data, Other types of plots, Plotting charts,

Basic Level: Getting started with lists, Getting started with for, Getting started with strings, Getting started with files, Parsing data, Statistics, Getting started with arrays, Accessing parts of arrays, Image manipulation using arrays, Basic matrix operations, Advanced matrix operations, Least square fit, Basic datatypes and operators, Sequence datatypes, Input-Output, Conditional statements, Loops, Manipulating lists, Manipulating strings, Getting started with tuples, Dictionaries, Sets, Getting started with functions.

Intermediate Level: Advanced Features of Functions, Using Python Modules, Writing Python Scripts, Testing and Debugging, Error and Exception Handling.

3 (b) Useful Python content developed by FOSSEE

A significant issue with the acceptance of open source software on a large scale by academia is due to the lack of documentation. We had proposed and implemented a novel/unique approach to solve this problem through the Textbook Companion (TBC). The Python TBC is a repository of solved examples from standard Engineering and Science textbooks coded using Python. More than 500 standard engineering textbooks now have TBCs available. The solved examples are available in the form of Jupyter notebooks. There are over 4000 such notebooks available. These notebooks can be explored online or downloaded for free. Students and faculty from various parts of the country have created this collection.

One may use the Python TBC (1) to understand the steps of examples (2) to do what if studies by changing parameters. Python TBC are available at

<https://tbc-python.fossee.in/completed-books/>, absolutely free of cost. Python TBC is also hosted on the cloud.

Yaksh is also developed by FOSSEE, it is a free and open-source online evaluation software. It allows teachers to create full blown courses with video and/or markdown text-based lessons but with Problem-based learning at its core, Yaksh focuses on letting teachers create real-time evaluated practice exercises and quizzes. With a large array of question types like Multiple choice question, Fill-in-the-blanks, Arrange options in correct order, Assignment uploads and programming questions available, Yaksh supports Python, C, C++, Java, Bash and Scilab programming languages. Yaksh is designed to be easily deployable, and can scale-up to accommodate 500+

1. Before the workshop, participants should register on <https://spoken-tutorial.org/>
2. Fill up the registration form and submit.
3. An email will be received.
4. The account should be activated by clicking the link in the email.
5. The Username and Password should be noted. This is an extremely important step.
6. One needs the above information to post questions on the forum, which will be explained at the time of the workshop.

Note

- Neither IIT Bombay nor the Remote Centre will bear the travel expense of the participating representatives. There shall also be no accommodation provided to the participants.
- All participants are required to bring ear phones, as they will have to listen to video tutorials. Without ear phones, the workshop will not at all be effective.
- Computers to practise Spoken Tutorials and to do Python programming will be available at the Remote Centres. But if they wish, participants can bring their own laptops with Python installed.

10. Prerequisite for the Python Workshop

The attending participants must see the [Introduction to Python video](#) before the workshop.

Cisco Academy Membership Agreement

Welcome to the Cisco Networking Academy. This agreement governs your Academy's participation in the Cisco Networking Academy.

The Networking Academy Membership Guide for Cisco Academies ("NAMGCA") describes the benefits, roles and responsibilities of Cisco Systems, Inc. or its subsidiary responsible for distribution in the country in which you are located ("Cisco") and your Academy. The NAMGCA forms part of this agreement, and will be made available to your Academy by Cisco. Your Academy should review the NAMGCA carefully before agreeing to participate in the Cisco Networking Academy. By accepting this agreement your Academy agrees to comply with the NAMGCA. As the Cisco Networking Academy evolves, changes to the NAMGCA may be appropriate. Cisco will exercise reasonable efforts to provide advance notice to your Academy of any major changes to the NAMGCA.

Cisco provides all resources, course materials, services, websites or other deliverables "as is", without warranty of any kind (as far as Cisco is permitted to do

Cisco Academy Membership Agreement

Welcome to the Cisco Networking Academy. This agreement governs your Academy's participation in the Cisco Networking Academy.

The Networking Academy Membership Guide for Cisco Academies ("NAMGCA") describes the benefits, roles and responsibilities of Cisco Systems, Inc. or its subsidiary responsible for distribution in the country in which you are located ("Cisco") and your Academy. The NAMGCA forms part of this agreement, and will be made available to your Academy by Cisco. Your Academy should review the NAMGCA carefully before agreeing to participate in the Cisco Networking Academy. By accepting this agreement your Academy agrees to comply with the NAMGCA. As the Cisco Networking Academy evolves, changes to the NAMGCA may be appropriate. Cisco will exercise reasonable efforts to provide advance notice to your Academy of any major changes to the NAMGCA.

Cisco provides all resources, course materials, services, websites or other deliverables "as is", without warranty of any kind (as far as Cisco is permitted to do so by law). Further details are set out in the NAMGCA.

The following provisions (a)-(c) govern your treatment of personal information of Academy and Cisco Networking Academy participants (i.e. employees, students, instructors, administrators, or any other of your Cisco Networking Academy participants) ("Cisco Networking Academy Participants") provided to or otherwise obtained by Cisco from your Academy in connection with the Cisco Networking Academy:

- (a) By entering into this agreement, your Academy will ensure that Cisco Networking Academy Participants have given their unambiguous consent, to the processing of their personal information by Cisco: (i) from within and outside of the European Economic Area and those countries deemed to have adequate data protection laws in connection with processing the personal information; and (ii) in accordance with Cisco Networking Academy Privacy Policy, as amended from time to time and located [here](#).
- (b) Your Academy agrees to comply with: (i) applicable data protection laws and regulations, including your Academy's obligations as data controller under those laws and regulations; and (ii) Cisco's Networking Academy Privacy Policy located [here](#).
- (c) To the maximum extent permitted by law, your Academy shall defend, indemnify and hold harmless Cisco and its officers, directors, employees, shareholders, customers, agents, successors and assigns from and against any and all loss, damages, liabilities, settlement, costs or expense (including legal expenses and the expenses of other professionals) as incurred, resulting from or arising out of your Academy's breach of applicable laws relating to the treatment of personal information including any claim for the unauthorized solicitation, collection, storage, forwarding, or use of personal information. As a condition to such defense and indemnification, Cisco will provide your Academy with prompt written notice of the claim and permit your Academy to control the defense, settlement, adjustment or compromise of any such claim. Cisco may employ counsel at its own expense to assist it with respect to any such claim; provided, however, that if such counsel is necessary because of a conflict of interest of either your Academy or your Academy's counsel or because your Academy does not assume control, your Academy will bear the expense of such counsel. Cisco shall have no authority to settle any claim on behalf of your Academy.

Your term of membership in the Cisco Networking Academy is three years (36 months), commencing on the date when Cisco executes this agreement. The term shall be automatically renewed for additional twelve (12) month terms unless (i) sixty (60) days prior to the end of the then-current term one party gives written notice to the other party of its election not to renew this agreement. Notwithstanding the foregoing, either Cisco or your Academy may terminate this agreement without any liability to the other party for any reason or for no reason by providing at least thirty (30) days' written notice to the other. Either party may refuse to extend or renew the three year- term for any reason or no reason.

By clicking "Accept", you represent that you are authorized to enter into this agreement (including the NAMGCA) on behalf of your Academy.

On behalf of the Cisco Networking Academy global community, Welcome! By signing this agreement your Academy is taking an important step in bringing new opportunities and knowledge to your students, the future architects of the networked economy!

Cisco Networking Academy: Cisco Academy Membership Agreement / June 2014

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is made this day, the 13th of February 2019, between:

Microchip Academic Program Regional Training Center, having its headquarter at **Trident ICT Academy**, F2, Technology Corridor, Near Infocity, Patia, Bhubaneswar, Pin-751024 (hereinafter referred to as '**MAPRTC**' which expression shall include its representatives, successors and assignees) of other part

AND

Joginipally BR Engineering College, located at Bhaskar Nagar, Yenkapally, Moinabad, RangaReddy, Hyderabad, Pin-500075, (hereinafter referred to as "**JBREC**" which expression shall include its representatives, successors and assignees) of other part

MAPRTC and Institute are jointly referred to as 'Parties' in this MOU.

WHEREAS all parties have expressed mutual interest in setting up the Microchip Academic Program at the premise of the Institute only (not for Group of Institutions).

In consideration of the mutual obligations herein contained, the parties agree as follows:

OBJECTIVE AND SCOPE OF WORK

The primary objective of the parties is to set up a joint Center of Excellence at JBREC to provide a platform for exploiting state of art technology, providing technical training, development of intellectual property and providing facilities for the development of products and solutions.

INSTITUTE RESPONSIBILITIES

1. Institute will ensure that it will first obtain a Microchip Academic Partner Number (APN) from Microchip
2. Institute will create an account on Microchip Direct using the URL www.microchipdirect.com
3. Institute will appoint one person as Single Point of Contact (SPOC) for the MAP Partner program.
4. Institute would train at-least 100 students in every academic year on Microchip Training Courses (online or instructor led)
5. Institute will ensure that at least two faculty members undergo a faculty training program as part of the on boarding process for becoming a Microchip Academic Program Partner.

6. Institute will make sure that it procures all the basic hardware needed to setup a Microchip Lab and complete the on boarding process with MAPRTC
7. Institute would provide space outside the lab for a name board/placard (design provided by MAPRTC) for recognizing Microchip Academic Program MAPRTC will coordinate the donation of software and equipment from Microchip to the Academy.
 - a. Institute will make the placard and put it up within two weeks of receiving the placard design and shall intimate MAPRTC of the same
8. Institute will send one report per semester regarding all the activities conducted as part of the lab
 - a. Number of students trained with their relevant contact information
 - b. Number of students who have undergone Microchip Training Certification
 - c. Number of faculty members who have undergone trainings if any

MAPRTC RESPONSIBILITIES

1. MAPRTC will on board the Academy as Microchip Academy & assist to setup Microchip Lab.
2. As part of on boarding process, two instructor's training will be coordinated by MAPRTC with preferred Microchip Training Partner.
3. MAPRTC will provide course completion Certificate to trained Instructor, on successful completion of the courses.
4. MAPRTC will provide the Academy with coupons to get access online courses through its preferred Training Partner, according to the requested number of students from the Academy.
5. MAPRTC will provide Course Completion Certificate to enrolled students through Microchip, on successful completion of the courses.
6. MAPRTC with gradeME will extend placement assistantship to Microchip Certified Candidates, who are enrolled through MAPRTC.
7. MAPRTC will conduct Student in-person training (paid model), if the Institute is interested, with the support of preferred Microchip Training Partner Eduvance.

VALIDITY

This MOU is valid for two years from the date of signing of this MOU. Thereafter the MOU may be renewed for such term and on conditions as may be agreed between the Parties.

NO ASSIGNMENT

Neither party without the written consent of the other may assign either the benefit or the burden of this MOU.

TERMINATION

Either party may terminate the MOU for cogent and logical reasons, by giving to the other party 90 days' notice in writing.

NOTICES

Notices would be deemed to have been given provided they are sent in writing by registered mail and a copy of the same is faxed to either of the parties by the other party to the following addresses and fax numbers.

Sub: Virtual Lab's Nodal Centre

With reference to your Expression of Interest for Virtual Labs dated 20.01.2019, it gives me immense pleasure to designate your college as a Nodal Centre for Virtual Labs in Telangana. As nominated by you, **G.Naveen** has been accepted to act as the Nodal Coordinator from your college. This approval is valid up to 31st June 2019 subject to the following Terms and Conditions and any subsequent directives as issued by MHRD from time to time:

1. Approved status of AICTE/STEB/UGC is mandatory for your college.
2. The necessary infrastructure (dedicated space having personal computers with 1 Mbps broadband internet connectivity) to be maintained at your own cost for Virtual Labs.
3. Nodal centers will get operational, technical support as given below.
4. The semester target is 4000 usages and proposal for 2 experiment development.
5. A semester wise monthly target and achievement plan will be submitted to Vlabs, at the beginning of the year, before 30th January 2019.
6. Each Nodal Centers will organize at least one workshop per semester as an outreach activity of Virtual Labs.
7. Students are not to be charged any extra fee for providing Virtual Labs facility for their usage.
8. The usages are to be entered into the outreach portal for them to be accounted under your Nodal Center. This is a necessary condition for meeting your target.
9. Nodal Coordinator should attend the meeting held at IIIT Hyderabad, as per schedule and a semester wise report of Vlabs usage and feedbacks by the faculty members and students should be submitted as required. Usages and other workshop activity shall be reported on a monthly basis.
10. Strict adherence to the standard lab procedures and cyber security laws need to be followed.
11. Any violation of the above will result in automatic cancellation of Nodal Centre status for your college without giving any notice.

Kindly acknowledge the receipt of this letter and the acceptance of the Terms & Conditions mentioned above.

We thank you again for your interest in the Virtual Labs project and appreciate your endeavor in the service of the student community. Wish you all the best!

Thank You,

Sincerely,

Dr. Venkatesh Choppella
Principal Investigator, Virtual Labs Project
IIIT Hyderabad – 500032
venkatesh.choppella@iiit.ac.in

VIRTUAL LABS: IIIT HYDERABAD

An Initiative of Ministry of Human Resource Development under
the National Mission on Education through ICT

Expression of Interest for setting up a Virtual Labs Nodal Centre (VLNC)

ELIGIBILITY:

1. The Virtual Labs Nodal Centre (VLNC) should be a Central/State University or Institute/college approved by **AICTE/UGC**.
2. The Institute has to provide a designated/common lab space having **50 PCs or more**, with a **minimum 1 Mbps** internet broadband connection, and a multimedia projector.
3. In the event that the internet network operates behind a firewall, the VLNC undertakes to open specific communication ports to facilitate VLab network traffic. Specifically ports 3306, 5900, 5902, 80, 8080 and 8700 will need to be opened.
4. <http://www.java.com/en/download/index.jsp> must be downloadable through the internet and Gmail should be accessible. Adobe Flash should be available on each of the desktop/laptop machine.
5. All machines should have firefox – latest edition browser installed.

Terms and Conditions:

1. There is **no financial liability** of any party for using Virtual Labs. It is free to use.
2. The VLNC **cannot charge** students for the use of Virtual Labs.
3. One Nodal Coordinator for Virtual Labs should be nominated by the Head of the Institute (Director/Principal) at the respective Nodal Centre.
4. Renewal of EOI form is subjected to **fair usage** of the Virtual Labs.

Nominations and Responsibilities at the Nodal Centres

1. Nodal Coordinators will be appointed at each Nodal Centre by the Head of the Institution.
2. He/she should continue with his/her responsibilities for at least one academic semester.
3. Requests for change of Nodal Coordinator will not be accepted in the middle of the academic semester, except in extreme circumstances, for example where the Coordinator proceeds on leave or quits the institute. Nomination of a new Nodal Coordinator will be accepted upon receiving confirmation from the previous Nodal Coordinator.

Responsibilities of the Nodal Coordinator (NC):

1. The Nodal Coordinator (NC) will be the main **interface** between the Outreach Team of Virtual Labs, IIIT Hyderabad and the Nodal Centre.
2. He/She will **conduct training** sessions for students and faculty members in his/her Institute.
3. NC may take help from other faculty members and support staff to coordinate training programs in their respective institutes.
4. He/She is required to work towards **making Virtual Labs popular** among the students.
5. He/She is required to help in **Field Testing** the labs and in collation of end-user **Feedback** for the experiments of different Labs.
6. He/She is required to help in testing and debugging Virtual Labs while using them.
7. A monthly progress report regarding Virtual Labs usage by the students must be submitted by the Nodal Coordinator to the IIIT Hyderabad, duly signed by the Director/Principal of the Institute.
8. Each VLNC will organize atleast **two workshops periodically and will announce it in time**, as an outreach activity of VLabs.
9. Faculty members and students from at least **two nearby Institutions** should attend the workshop. The targeted attendees in each workshop should be approximately **100**. The list of participants should be shared with IIIT Hyderabad. All information must be uploaded into the Virtual Labs Outreach Portal
10. NCs will coordinate workshops. If required, the Outreach team from IIIT Hyderabad may be invited.
11. The number of lab usages is expected to be greater than 4000 per year.
12. There is no financial commitment from Virtual Labs for the Nodal Center activity.
13. The Outreach Team, IIIT Hyderabad should be informed about workshop dates and other training sessions organized by the Nodal Centre.
14. The Nodal Coordinator should **submit a report** of each workshop conducted, with relevant photographs. A template for the report will be shared by IIIT Hyderabad.

Responsibility of the Outreach Team

1. To provide training and hands on practice on Virtual Labs to Nodal Coordinators and supporting staff.
2. Training session will be conducted only at IIIT Hyderabad, as per the advertised date and time.
3. Maximum **two** members with Nodal Coordinator from each Nodal Centre may attend the training session.
4. No TA/DA will be given to Nodal Coordinators and supporting staff for attending training session.
5. Onsite support may be given upon request by Nodal Centres.
6. The Outreach team will keep the Nodal Centres informed about the Labs under development and newly developed Labs in Virtual Labs.
7. The Outreach team may visit Nodal Centers on workshop day to ensure smooth conduct of the workshop.

Field Trial Methodology:

1. Virtual Labs Team organizes Workshop as well as hands on practice session on Virtual Labs for various Science & Engineering Institutions, at IIIT Hyderabad.
2. Faculty members participate in the workshop and are encouraged to express their interest in nominating their institutes as Nodal Centre for Virtual Labs
3. There is a provision of EOI (Expression of Interest) form to become a Nodal Centre of Virtual Labs.
4. The EOI form contains all the details, eligibility criteria, role of Nodal Centre as well as the Nodal coordinator.
5. Then the Virtual Labs Team conducts faculty training sessions and workshops for students at the Nodal Centres.
6. Department wise demonstrations are given to the students.
7. Labs are demonstrated according to the syllabus of the ongoing semester.
8. Faculty members of the concerned department should be present during the demonstration.
9. After the demo of the Virtual Labs, hands on sessions are conducted.
10. On completion of the demo and hands on, the faculty members and the students have to submit the feedback forms to the Virtual Labs team.

11. The Nodal Coordinators will be required to submit the feedback forms given by the students immediately after they perform experiments on the Virtual Labs. In addition, the data pertaining to the Usages, number of students and other details must be entered into the Outreach Portal of Virtual Labs, and submitted along with photos of the workshops.
12. These forms are compiled and analyzed. The bugs are duly reported to the developers for debugging.
13. At the end of the semester, the compiled report of the Virtual Labs usage must be submitted by the Nodal coordinators., both as hard copies of the feedback forms as well as entry in the Outreach Portal.

January 2019

Form for the Expression of Interest for setting up a Virtual Labs Nodal Centre (VLNC)

1. Name of the Institute Joginipally B.R. Engineering College
2. Address Bhaskaranagar, Yenkopally (V), Moimabad (M),
R.R. Dist - 500075, T.S
3. Affiliated to JNTU-H
4. AICTE / UGC Approval AICTE
5. Branch of Engineering/Science Student Strength
 - a) ECE/EE: 120 + 60
 - b) CSE/IT: 120 + 60
 - c) ME: 120
 - d) Other Engg:
 - e) Sciences:

6. Name of the Director / Principal Dr. V. Ushashree

7. Details of the Proposed Nodal Coordinators

Coordinator's Name: G. Naveen Dept: EEE
Email Id: gubba.naveen@gmail.com Mobile: 9440569381

8. Certified that

- a) The Institute is recognized by AICTE / UGC.
- b) The Institute has necessary and adequate infrastructure to host Virtual Labs.
- c) Strict adherence to standard lab procedures and cyber security laws will be followed.
- d) Virtual Labs, IIIT Hyderabad, may withdraw / stop connectivity without giving any prior notice or reasons.
- e) This EOI for Virtual Labs usage is valid up to 30th June 2019 and requires renewal by IIIT Hyderabad, for continued support.

Memorandum of Understanding

Between

Joginpally B.R. Engineering College
[JBREC]

And

E2labs Information Security Pvt Ltd
[E2LABS]

This Memorandum of Understanding is made and entered into on 26 day of OCTOBER 2018 at Hyderabad

BETWEEN

Joginpally B.R. Engineering College [JBREC]; having its office in Survey No. 156 To 162, Yenkapally, Moinabad Mandal, Ranga Reddy District, Hyderabad, Telangana 500075, represented by Principal, Dr. V Usha Shree, which expression shall, unless repugnant to the context or meaning thereof, mean and include its assignees of the Terms of Engagement between E2Labs and JBREC on behalf of JBREC.

AND

E2Labs Information Security Pvt Ltd [E2Labs]; having its office in 5th Floor, Building No. 27, Lane Opp to Park Hyatt, Road No. 2, Banjara Hills, Hyderabad, Telangana State - 500034, India, represented by President & CEO, Dr. Zaki Qureshey, which expression shall unless repugnant to the context or meaning thereof mean and include its successors and assignees; of the Terms of Engagement between E2Labs and JBREC on behalf of E2Labs

Terms of Engagement between E2Labs and JBREC:

1. The purpose of this MoU is to offer various Cyber Security Trainings to the students of JBREC on Ethical Hacking, Vulnerability Assessment, Penetration Testing and Digital Forensics.

2. The number of students/ batch size, training and certification fees shall be mutually discussed and agreed upon.
3. Course content and training delivery will be done by E2Labs.
4. Necessary lab and hardware will be provided by the college

OTHER CLAUSES:

1. EFFECTIVE DATE

Both the parties agree that the MOU shall take effect from 26th October 2018 and shall continue to be in force till termination.

2. Usage of logos, brands, trademarks, copyrights and intellectual property rights :

This MOU specifically prohibits each of the Parties from using logos, brands, trademarks, copyrights and intellectual property rights of the other party to the MoU **except :-**

- For Advertisement and Promotion of the project aforementioned (or)
- For Representations to Government, Government Bodies, Corporates or individuals directly in connection with the project aforementioned.
- As a part of joint branding activity (if any) to which the Parties explicitly agree in writing. (or)

Any unauthorized usage or usage other than directly in the context of the project of logos, brands, trademarks, copyrights, and intellectual property rights of the other party shall be construed as infringement and liable for legal action.

3. TERMINATION

This MOU shall be valid and remain in force for a period of one year from the date of execution. It may be extended for a further period with mutual consent of the Parties. Both Parties agree to perform their obligations in good faith and to the best of their ability in order to meet this timeline.

The MOU shall continue to be in force till the time where the parties to the MoU have not discharged their obligations pursuant to the terms mentioned herein.

However, this MOU may stand terminated if specifically superseded by any agreement/MOU entered subsequent to the date of this MOU

However, this MOU may be terminated other than by mutual agreement and with a notice of one month due to occurrence of an Event of Default as mentioned in Clause 4.

4. EVENTS OF DEFAULT

The following events will constitute Events of Default

- Failure to fulfill roles and responsibilities by the Parties beyond reasonable period of time.
- Misuse of logos, brands, trademarks, copyrights, and intellectual property rights.
- Violation of Confidentiality Clause.

5. THE UNDERSTANDING :

This MOU supersedes any prior written or oral agreements between the Parties in relation to the subject matter. Changes and amendments to this MoU shall have effect only if made in writing and signed by the Parties

6. GOVERNING LAW, DISPUTE RESOLUTION & JURISDICTION :

All disputes, differences and/or claim arising out of or touching upon this MOU by way of arbitration in accordance with the provisions of the Arbitration and Conciliation Act, 1996. For all legal proceedings not legally amenable to arbitration, the jurisdiction shall be the courts at the city of Hyderabad.

IN WITNESS WHEREOF the Parties hereto have set their hands in the presence of witnesses at Hyderabad on the day, month and year first above mentioned

Letter of Authority

Sub: Appointment of **Joginpally B R Engineering College, Hyderabad** as a Project Guidance Centre and establishment of a Centre for promoting and organizing Open Learning Programme in Entrepreneurship

Dear Sir,

We are pleased to appoint **Joginpally B R Engineering College, Hyderabad** as our Project Guidance Centre and establish a centre for promoting and organizing our distance learning programme viz. **"Open Learning Programme in Entrepreneurship"**. We are sure, with the good reputation and network, your institution would be able to promote our programme and generate good number of registrations at the earliest.

We look forward to be in constant touch with you and expect a fruitful and long-term professional relationship.

Thanking you,

With regards,

Brijesh Dave

MEMORANDUM OF UNDERSTANDING

INSTITUTIONAL COLLABORATION FOR ESTABLISHMENT OF PROJECT GUIDANCE CENTRE FOR OPEN LEARNING PROGRAMME IN ENTREPRENEURSHIP (OLPE)

This Memorandum of Understanding (MoU) is entered into as on 05-10-2018
between **Entrepreneurship Development Institute of India**, having its head office at Village & PO
Bhat-382428, District Gandhinagar (Gujarat)

AND
JOGINPALLY B.R. ENGG. COLLEGE, YENKAPALLY,
MOINABAD, HYDERABAD - 75

The parties hereto agree as follows:

1. Dr. V. USHA SHREE..... (Project Guidance Centre) shall nominate a resource person who will link between learners, EDI & Centre. Project Guidance Centre will promote the course; register learners; provide counseling; organise two contact sessions of three days' duration each; evaluate assignments; assist and evaluate the business plan; conduct and evaluate term end examination; & provide other support as required by the learners. Dr./~~Mr.~~/Ms. S. SATHISH KUMAR will act as the programme coordinator on behalf of the Project Guidance Centre.
2. The Project Guidance Centre will enroll the learners as per the eligibility criteria after collecting a fee of Rs. 14,750/- [course fee is Rs. 12,500/- + 2250/- (18% GST)] from each learner in the form of D.D favouring EDII payable at Ahmedabad on any commercial bank.
3. The Project Guidance Centre will share the feedback obtained from learners on the support services provided by them with EDI.
4. The Project Guidance Centre will provide necessary follow-up support to learners to facilitate speedy implementation of their projects.
5. The Project Guidance Centre will keep all the information confidential.
6. The Project Guidance Centre will update EDI with the status of learners on a quarterly basis.
7. EDI will supply necessary publicity material in line with the number of learners registered for the programme and one set of printed study material free of cost to the Project Guidance Centre. We expect the PGC to generate atleast 80 enrollments in two years, from the date of MOU signed.
8. EDI will provide term end examination question paper one week ahead of date of term end examination.
9. EDI will award the Certificate in **Open Learning Programme in Entrepreneurship** to learners on successful completion of course, submission of evaluated business plan, scoring a minimum 50% of marks.
10. The Project Guidance Centre can download application form from our website www.ediindia.org
11. EDI will reimburse an amount @ Rs.2,500/- per learner (Rs.1500/- as learner registration incentive, Rs.500/- for first contact session & counseling, Rs.500/- for second contact session, exam and project report guidance) in two installments. First installment of Rs.2000/- (Rs.1500/- as learner

registration incentive + Rs.500/- for first contact session and counseling) immediately after receipt of learner's registration form along with course fee, 2 passport size photographs and authenticated

educational background certificate. Second installment of Rs.500/- after second contact session, exam and project report guidance. **Additional reimbursement of Rs.500/- will be released only on learners' successful completion of course and certification or, start up of enterprise within one year from the date of enrolment.**

12. EDI reserves the right to amend the above mentioned terms and conditions.

The above terms and conditions are agreed upon by J.BREC, HYDERABAD (Project Guidance Centre) and EDI. This arrangement is valid for two years with effect from the date of signing the MoU; continuation of which will depend upon subsequent reviews and mutual consent.

OBJECTIVES OF MOU

1. **Joint Organization of Faculty Development Programs (FDPs)/Conference /Hackathons/Workshops/Training Programs**
Both the institutes may engage into jointly organizing FDPs /Conferences/Hackathons /Workshops /Seminars in the domains of mutual interest and cultures, at any of the two venues. For all faculty events at GRIET, Mentee Institute will have the opportunity to participate and derive benefits from the same, however, in case of FDPs, though the registration fees up to one faculty participation from the Mentee Institute shall be waived off.
2. **Conduct of Guest Lectures**
From the identified fields One Faculty member from the Mentor Institute will spend about 06 weeks a year (one week every two months), over a period of three academic years in the respective field of specialization.
3. **Undertake collaborative R&D work/R&D Projects**
Self-Generated: Using Infrastructure /Laboratory facilities, faculty from respective fields to jointly undertake research program either at Mentor Institute or at Mentee Institute. For Technology / Patents so evolved joint rights of ownership will be assured.
Industry-Sponsored: R&D/Consultancy from industry to be jointly undertaken by faculty from Mentor Institute and Mentee Institute.
Also, publications arising out of this collaborative work will be jointly published.
4. **Strengthening the Laboratories**
Faculty from Mentor Institute may assist Mentee Institute to develop new laboratories in specialized areas.
5. **Curriculum Development**
Faculty from Mentor Institute may also assist in curriculum development / conduct of seminars-workshops-short-term training programmes etc. for the Mentee Institute.
6. **Accreditation/Autonomous process**
The Mentor Institute may undertake the guidance of Accreditation process by NBA/NAAC evaluations and Autonomous process if needed by the Mentee Institute.
7. **Outcome Based Education (OBE)**
The Mentor Institute may undertake the mentoring of Outcome Based Education (OBE) if needed by the Mentee Institute.
8. **Sharing of Library**
Sharing of journals and other related information exchange through e-library.

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is made and entered into on the 18/11/2019

Between, College Joginpally B.R. Engineering College, Survey No. 220 To 221, Yenkapally, Moinabad Mandal, Hyderabad, Telangana 500075, Called Party of the First Part (which expression whenever the context so requires or permits, shall mean and include successors in office and assignees)

And

India Matters Foundation, a registered Charitable Trust, established under the Trust Act represented by its Managing Trustees Mr. Vijay Kumar Nair & Lakshmi Narayanan Sathu, having their office at E1, 80 Nungambakkam High Road, Chennai, Tamil Nadu, Pin-600034.

And whereas

The party of the first part is a college in India and focuses primarily on imparting education.

And Whereas

The party of the second part "India Matters Foundation" works towards

- Developing young India's to become global citizens with globally benchmarked knowledge and skills to be successful in the 21st century's Global Market Place
- Facilitating exchange of views and knowledge between Indian and International educators
- Showcasing Indian youth and India's Education sector internationally

Principal
Joginpally B.R. Engineering College,
Moinabad Mandal, Survey No. 220, Yenkapally (V),
Moinabad Mandal, Hyderabad (M),
Pin-500075, Telangana-500075.

And whereas

India Matters Foundation co presents the "Global Education and Careers Forum" (GECF). GECF is a leading professional consortium of educators in India and internationally, government agencies and NGOs who share the vision that young Indians must be equipped with globally demanded skills, the knowledge and experience to be successful in the 21st century's Global Market Place. GECF works towards developing our students to become global citizens, a "not for profit" basis. Further we believe that an exchange of views between educators from different countries can not only enhance those who they meet but also those they educate.

It is hereby mutually agreed to by both parties to work in partnership to support the above causes.

India Matters foundation seeks the following support from your school/college

- Host seminars, conferences and workshops by faculties of international universities on your campus and for relevant target group,
- Conduct seminars/ counselling sessions for your students on overseas education opportunities.
- Provide a list of students from your institution interested in studying overseas.
- Encourage students to participate in the activities of the GECF.
- **All the above, will be provided free of cost to the institute. The institute does not have to pay for any logistics arrangements including any remuneration to any function/delegates.**

Financial Terms

- All activities of Indian Matters Foundation will be **provided free of cost to the institute.**
- India Matters Foundation through a consortium on International Universities will sponsor the participation of one faculty member from your college at the proposed "Global Education and Careers Summit" to be held in the United Kingdom every year, if 7 students from your college are recruited to participating international universities.

Both parties hereby agree that the terms and conditions for the above individual activities shall be mutually agreed and reviewed and updated from time to time. **In case of any dispute arising due to interpretation of any of the above clauses, a mutually agreed decision will be arrived at between both the partners. The same will be final and binding on both the partners.**

This Agreement will be in force until either party revokes it in writing. This agreement shall become effective from today, the 18/11/2019 upon signing of this Agreement.

NOW, THEREFORE, IN CONSIDERATION OF THE PROMISES AND THE MUTUAL COVENANTS, AGREEMENT HEREINAFTER SET FORTH, THE PARTIES INTENDING TO BE LEGALLY BOUND, HEREBY AGREE AS FOLLOWS:

1. SERVICE DETAILS:

Attached herein as Annexure A

2. PRICE:

In consideration of the Service as per Clause 1 above, the Member agrees to pay to CETS the amount as agreed in Clause 4 (a) below. This pricing applies to the current service offering only and may be subject to revision for subsequent transactions.

3. TERM:

As mentioned in Annexure A

4. PAYMENT TERMS:

(a) The Member shall pay the Total Price to CETS, as per the following payment schedule:

Payment Due Date	Value of Service	Total Amount Payable Including GST
28- 10-2020	Rs. 1,77,500	Rs. 1,77,500
2021 Batch: 4 th Year/ 1 st Semester End	Rs. 88,750	Rs. 88,750
2021 Batch: 4 th Year/ 2 nd Semester End	Rs. 88,750	Rs. 88,750

(All payments to be made in favor of "Conduira Education & Training Services Private Limited")

(b) An invoice for the Total Price will be issued by CETS to the Member within 7 days of signing of this Agreement. This would be sent to the above-mentioned address unless otherwise a different address for billing is specified by Member under section "Member's Address for Invoicing/Correspondence" herein below and shall be payable as per the aforesaid payment terms. All invoices are payable to CETS in full, on or before the due date of the invoice as per the said payment terms. In the event any payment is not made within the said period, CETS shall, without prejudice to its other rights under this Agreement or in law,

CERTIFICATE

This is to certify that the project entitled “**Location Privacy Preservation in Database-driven Wireless Cognitive Networks through Encrypted Probabilistic Data Structures**” that is being submitted by **Mangalaram Sowmya [16J21A0549]**, **Kanapareddy Yashwanth [16J21A0536]**, **Kona Gopala Krishna [16J21A0540]**, **Kotha Ajay Kumar [16J21A0543]** in partial fulfilment of the award of the Bachelor of Technology in Computer Science and Engineering to Jawaharlal Nehru Technological University Hyderabad. It is a record of bonafide work carried out under our guidance and Supervision. The result embodied in this project have not been submitted to any other university or Institute for award of any degree. In my opinion, this project is of standard required for the degree of Bachelor of Technology.
