7.3.1 Describe/Explain the performance of the institution in one area distinctive to its vision, priority and thrust

Response:

The Vision, Mission and Quality Policy of the Institution are all oriented towards the holistic development of the student, which is evident during admissions. JBREC's focus has been to impart quality education coupled with overall development of the students. To achieve this, the Institution encourages students to participate in various activities:

- 1. Chief Minister's Covid – 19 Relief Fund:** As the world struggles with the current global health crisis, the Government of India has declared Covid-19 to be a “notified disaster”. The Government both at the Central and state level have announced several relief measures to support the citizens in the current testing times. The financial burden to manage the current health crisis is huge and several Indian State Governments have either setup dedicated relief funds to accept donations for Covid-19 or are accepting donations in the existing Chief Minister's Relief fund from both corporates and individuals.

J. B. Group of Educational Institutions, with the support of its staff and faculty, has contributed Rs. 30 lakh to the Chief Minister's Relief Fund (CMRF) and the cheques were handed over to IT Minister Mr. K.T. Rama Rao by Mr. J.V Krishna Rao, Secretary of J.B. Educational Society and Mr. J. Vamshidhar Rao, Secretary of Joginpally B.R. Educational Society. Earlier, the group donated Rs. 15 lakh to the CMRF and Rs. 5 lakh to the PM-CARES Fund.
