## CHAIRPERSON MESSAGE

In my position as the Chairperson of all the J.B. Group of Educational Societies and all the J.B.Group of Educational Institutions, I convey my best wishes to all our relentlessly advancing institutions nestled in a sprawling woody campus of about 106 acres of land.

The World since recent times had been moving amazingly fast and fiercely competitive in all spheres of human activity. The said situation called for massive expansion of career focused education, particularly in Engineering, Management and such other professional areas. However; it is unfortunate to observe that the quality of education started eroding. The urgent need of the times was to lay emphasis on quality education and to strive vigorously for global excellence and acceptability . It is exactly at this critical juncture of time i.e. in the year 1993, J.B.Educational Society was established to serve the cause of the spread of general, Professional and Engineering education by a team of enlightened persons, under my Chairmanship. We have taken up faculty, staff and students' Welfare and other HRD measures. We have encompassed Jawaharlal Knowledge Centre at J.B.R.E.C. to empower students to acquire Interactive Communication skills, Technical and employable skills to compete in the Global job market. The policy of this Management is to impart quality education and train the students and for the accomplishment of the same, we have recruited resourceful faculty that are dynamic, dedicated and committed to the goal oriented efficient teaching with effective methodology.

**Smt.J.Vasumati Devi**

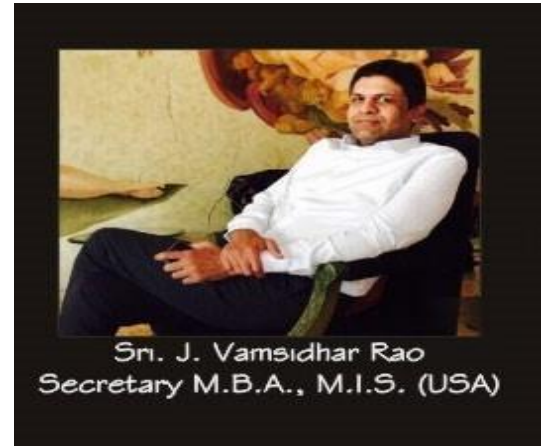

**Chairperson**

**J B Group of Educational  
Institutions**

## SECRETARY MESSAGE

It is the commitment of the JB Educational group to adopt a creative approach in teaching-learning process of academic Performance, discipline and personality development preparing the students for broader and deeper perspectives students are exposed to real life experience that inculcates in them the values of integrity, respect and commitment.

At our Institutions, the faculty inspires students to question, think critically and explore for creativity. We bring the best of industry and business into the classrooms with eminent industrialist, advisors and scholars visiting frequently and imparting to the students.

**Sri J. Vamsidhar Rao**  
Secretary  
J.B.R. Educational Society

## MESSAGE

The Institute is all set to bring out the potential within each student and provide proper guidance so that their potentials can be utilized to make them future engineers capable of meeting any challenge that will be faced by them after leaving the college. The college provides full support to improve their communication skills, critical thinking abilities, moral values and sense of responsibility.

All the efforts are made to improve the creativity and problem solving abilities of the students so that they can contribute their best to the society and the country. The infrastructure has been developed with most modern equipment; provisions have also been made to upgrade the same keeping pace with the technological advancements of the time.

It is my strong belief that given an opportunity, the students of this great temple of learning will prove an asset to the recruiting organizations

**Smt. J. Gayatri**  
**M.Arch.**

**Joint Secretary**  
**Joginpally B.R Educational Society**

## PRINCIPAL MESSAGE

I feel proud to be associated with Joginpally B R *Engineering* College which is serving the society for more than one and half decades in the field of Engineering & Technology by bringing a number of efficient engineers to the nation and world.

It gives me immense pleasure to welcome you to the creative world of JBREC which has very eco-friendly campus and is equipped with state-of-art infrastructure. Campus having well equipped labs, workshops and libraries which enables in helping students.

**Dr. D.N RAO,**  
**Principal,**  
**Joginpally B R Engineering**

# DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

## (CSE)

### HOD MESSAGE

The Department of Computer Science & Engineering was established in the academic year 2002-2003 with an intake of 60 in the beginning in the Bachelor courses of Computer Science & Engineering (CSE) and was subsequently increased to 120, besides an additional 20% under lateral entry scheme. The department has been reinforced by the addition of the M.Tech programme in Computer Science & Engineering (CSE) in the academic year 2008-09 with an intake of 18 students. It presently offers B.Tech and M.Tech degree programmes.

**Dr. U. Moulali**  
B.Tech., M.Tech., Ph.D.

The vision of the CSE Department is Global Excellence and Local Relevance in Teaching, Research and Technology development in Computer Science and Engineering. In pursuit of this vision, the Department is actively engaged in research activities in various research areas.

Department of CSE has well-qualified and experienced faculty who are specialists in the areas of C Programming, Java Programming, Data Structures, Databases, Data Mining, Computer Architecture, Operating Systems, Image Processing, Wireless Networks, Artificial Neural Networks, Information Security and Other Programming Languages. There are around 30+ dedicated faculty members with good amount of experience in these different areas. The faculty members are actively involved in research activities in the field of their specialization. They have published number of papers in journals and Conferences of National and International repute.

Students of CSE have fulfilled the expectations of the department by grabbing enviable positions in some of the top notch software/hardware companies of India like Amazon, Wipro, Infosys, MAQ software, Cognizant and Sasken. Many others of them have obtained admissions to M.S and PhD with scholarships at reputed American, UK, Australian and other universities overseas.

#### 1. Faculty Details

##### (a) Teaching Faculty.

S.No.	Name of the Faculty	Designation	Qualification (UG/PG/Ph.D./Others)
i.	Prof. K.V.Ranga Rao	Professor	B.Tech., M.Tech., Ph.D.
ii.	Dr. U. Moulali	Professor	B.E., M.E., Ph.D.
iii.	T. Seshagiri	Professor	B.Tech., M.Tech., Ph.D.
iv.	G. Narayana	Assoc. Prof.	B.Tech., M.Tech., (Ph.D)
v.	M. Manohar	Assoc. Prof.	B.Tech., M.Tech., (Ph.D)
vi.	S.Hemanth Chowdary	Assoc. Prof.	B.Tech., M.Tech.,
vii.	K.Praveen Kumar	Assistant Professor	B.Tech., M.Tech.,
viii.	Chinna Subba Reddy	Assistant Professor	B.Tech., M.Tech., (Ph.D)

ix.	M.Mary Eligbeth	Assistant Professor	B.Tech.,M.Tech.,
x.	E.Rajesh	Assistant Professor	B.Tech.,M.Tech.,
xi.	Manzoor Mohammad	Assistant Professor	B.Tech.,M.Tech.,
xii.	Md. Chand Basha	Assistant Professor	B.Tech.,M.Tech.,

## 2. Labs Information

S.No.	Name of the Lab	Photo
(a)	Software Testing Lab	

(b)	Operating System Lab	 A photograph showing a group of students sitting at long wooden desks in a computer lab. They are using desktop computers with large monitors. The room has fluorescent lighting and windows in the background.
(c)	Web Technologies Lab	 A photograph showing three students at a computer workstation. Two students are seated at the desk, looking at the monitor, while a third student stands behind them, possibly assisting or demonstrating something. They are in a lab setting with other computers visible in the background.
(d)	Object Oriented Programming Lab	 A photograph showing students seated at computer desks in a lab. In the foreground, a male student in a light blue shirt is focused on his work. Behind him, several female students are also seated at their desks, working on computers. The lab has a clean, organized appearance with white chairs and wooden desks.

# **ELECTRONICS & COMMUNICATION ENGINEERING**

## **HOD Message**

The department of Electronics and Communication Engineering was established during the inception of the college in the year 2002, with a vision to be a leading center of education and research in Electronics and Communication Engineering, making the students adaptable to changing technological and societal needs in a holistic learning environment. Technologies are changing at a rapid pace and touching every corners of our lives. The Department of ECE is dedicated towards grooming students and making them ready to meet the requirements of this competitive and rapidly evolving sector. The department has well qualified faculty members with considerable experience in academics, research and industry. The laboratories of the department are well equipped with sophisticated equipment and professional software tools in the fields of Embedded Systems, VLSI design, and Digital Signal Processing.

The department emphasizes on the development of hands on skill of the students to complement their theoretical knowledge and as such the department organizes periodical training programs and workshops to train students with the latest technologies apart from the regular curriculum. The department has a vibrant learning environment where all the students and faculty members nurture the spirit of innovation, creativity and contribute effectively to the advancement of technology. The department has produced large number of highly accomplished alumni since its inception.

They are spread across the globe as professionals in reputed multinational companies, pursuing higher education and into research and development. The department of Electronics and Communication Engineering at JBREC continues the tradition of transforming fresh young students into successful professionals.

**Mr.M.Srinivasa Rao**  
**Associate Professor**

## **DEPARTMENT OF EEE**

**Dr. M. KONDALU**  
**Professor & HOD**

- Greetings from the EEE department, Joginpally B R Engineering College, Moinabad, Hyderabad. It gives me immense pride and pleasure to lead the Electrical and Electronics Engineering Department of this esteemed and prestigious institution.
- Electrical & Electronics Engineering is an exciting and dynamic field that deals with the technology of electricity, especially the design and applications of circuitry and equipment for power generation and distribution, machine control and communications. Electrical and Electronics Engineers enjoy a high demand service status in modern manufacturing and industrial processes. We are creating a platform for students to achieve their dream jobs in Government sectors such as NTPC, Power Grid, Genco, Transco, NPDCL, SPDCL etc., and also in software and electronics design sectors. We are committed towards creating professional graduate community, which is capable to handle contemporary challenges required by the employer and society.
- Further, to promote academic growth we offer state of art programmes for the students and faculties. The department aims in developing human potential to its fullest extent so that intellectuals capable of being an asset to the country can emerge. The Department comprises of Staff members who have achieved excellence in teaching, research and innovations. The department has specialized faculties in all important areas of Electrical Engineering such as Power Systems, Power Electronics & Drives and Control Systems. The faculty takes active interest in research and development activities. High Impact publications in International Journals and authoring refereed books showcase the standard of the faculty members. They regularly organize workshops, training programmes, conferences and related activities for the benefit of the EEE students' community.
- I take this opportunity to welcome all aspiring undergraduate and post graduate electrical and electronics engineering students to Electrical Department of Joginpally B R Engineering College.

## 2. Faculty Details

### (a) Teaching Faculty.

S.NO	NAMES	DESIGNATION
1	Dr. M. KONDALU	PROF & HOD
2	G. NAVEEN	ASSOC.PROF
3	R.VENKATESWARLU	ASSOC.PROF
4	A.SRILATHA	ASSOC.PROF
5	P.RAJENDER	ASSOC.PROF
6	M.SHASIKANTH	ASSOC.PROF
7	G.S.V.V.MUTYAVALI	ASST.PROF
8	N.BHARGAVI	ASST.PROF
9	M.SRAVANTHI	ASST.PROF
10	P.VEERESH	ASST.PROF
11	D.SRIKANTH REDDY	ASST.PROF
12	S.ANANTHASAI	ASST.PROF
13	N.REVATHI NAGESWARI	ASST.PROF
14	B.HARINI	ASST.PROF
15	CH.RADHA	ASST.PROF
16	MOHAD.TAJUDDIN	ASST.PROF
17	M.ANIL KUMAR	ASST.PROF
18	K.SANDEEP	ASST.PROF
19	T.NAGARAJUNA REDDY	ASST.PROF

## **About Department**

The Department of Information Technology is renowned for imparting state of the art undergraduate education and preparing its students for real world challenges. The fact that the department attracts the brightest students from the country who score very good ranks in the EAMCET & AIEEE is one of the factors of its glory. As a champion of one of the fast developing disciplines that demands rigorous practical analysis, the department pronounces the possession of well equipped Laboratories at which the main focus is laid on logical reasoning in every practical application. With the entire qualified and talented faculty, the department boasts of a unique mode of learning; the one that uses advanced aids for teaching. The Department was established in the year 2007 with an intake of 60 students.

Mr. MLM PRASAD

The first batch of IT students on 4 years excellence program completed successfully and joins in various companies.

Students placed in the various companies listed as

- |                 |                |             |
|-----------------|----------------|-------------|
| • MAQ SOFTWARE  | • K-TREE       | • Karvy     |
| • CA            | • WIPRO        | • APEX      |
| • TCS           | • MAQ SOFTWARE | • OpsRmp    |
| • INFOSYS       | • AMAZON       | • Cognigent |
| • EMPHASIS      | • CORE SOFT    |             |
| • HI-POINT TECH | • DELLOIT      |             |

The department is fully established with excellent Laboratory and competent staff. The department maintained a separate library and provides books to the students.

### **Professional Bodies:**

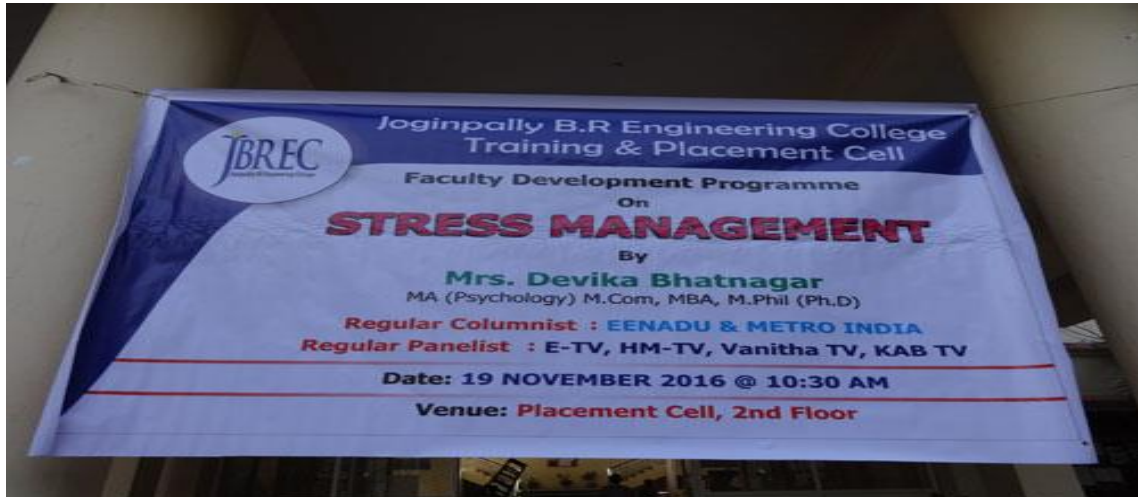

- Students Chapter of Computer Society of India
- A Technical association of IT Department, various events are organized for the benefit of students
- IT department achieved good result for this II Semester.  
Excellence certificates issued to the toppers in the each semester.

### **Two-Day Hand's on Experience Workshop on Internet Of Things (IOT)** **Report:**

Two-Day Hand's on Experience Workshop on Internet Of Things (IOT) Organizing by Department Of Computer Science& Engineering in Collaboration with Dalvik Apps , Mumbai, on 06-02-2017& 07-02-2017 in seminar hall, JBREC.AMONUT 30,000 Received. Approximately 150 Faculties have successfully participated in the programme and each participant is awarded a Participation Certificate. The workshop was successfully coordinated by Mr.M.L.M.PRASAD, Associate Professor & HOD of IT.

This Workshop aims at providing an opportunity for participants to enrich their knowledge and skill in developing various solutions for solving engineering problems in the society. This program serves as a platform for research scholars, faculty, engineers and students to interact on cutting edge technologies in IoT.

### **Details of Laboratories:**

The department has lab with 450 latest computer systems, Upgraded software's and Exclusive lab.

- UML Lab
- Computer Center
- MAD Lab
- LINUX Lab
- JAVA lab
- WT Lab
- C & Data Structure Lab
- CT & ST Lab
- OS & CN Lab
- IT Workshop

**MOU with Industries / Organization:**

The Dept has MOU with CISCO, MICROCHIP Academy, Dell EMCC ,ABACUS, e2Labs, ISISE, EDII, ICT Academy, Virtual Labs IIIT, NPTEL , IIT Bombay, Spoken Tutorial IIT Bombay, Swatch Bharath Internship Program, Unnath Bharath Abhyan on dated 2nd Jan, 2017 for placement, training, R&D and purchasing discount on their product.

**Placements - 2016 and 2017**

Note: Tata Consultancy Services, Sonata Software, Mahindra Satyam, Dell International Services, Cognizant Technology Solutions .

## **MECHANICAL ENGINEERING (2016-17)**

### **HOD Message**

Mechanical engineering department of Joginpally BR engineering college is established in the year 2011 with an intake of 60 and the number has increased to 120 in year 2012. The department is headed by Dr. Ravi Shankar kalva. We prepare students for professional career by developing a sound base in fundamental engineering sciences. We provide quality education to the students both in the classroom, outside it. We extensively encourage sports and cultural activities list of we know we have to mould the bright mind to so that they can taking the challenges of nature of society and of the marketplace

The department careers for student support monitoring tutoring study skills workshops and career development. Mechanical engineering students eliminate their students their studies with a yearlong capstone project requiring design problem solving creative thinking project planning and network. A board selection of technical electives encourages students to pursue special interest in design and manufacturing, energy and environmental issues, thermal and fluid sciences materials, are dynamics & controls and robotics.

The department has a team of highly qualified dedicated and experienced faculty in order to contribute to the technical education as a phone and helps mould young engineers by igniting in mines the flame of any Christians in Tunis. It is our hand over and hopes to inculcate these values and qualities in our work environment and the academic those at the department of mechanical engineering for achieving the best results in the year to come.

### **VISION OF THE DEPARTMENT**

The mechanical engineering department strives to be leader in important quality education and research leading to component who is innovative entrepreneur real ethical and successful in advance fees of engineering and research.

### **MISSION OF THE DEPARTMENT**

Consistent with permission Joginpally BR engineering college in the mission of the department of mechanical engineering is to:

1. Prepare students to excel in mechanical engineering and related fields by providing modern fundamental and practice oriented education

2. Repair professionally competent and broadly educated mechanical engineers by developing analytical and research abilities
3. Increase the culture of continuous learning by adopting new technologies to solve complex problems.
4. Foster creativity and critical thinking in problem solving and motivate students to consider the social consequences of their work.
5. Enable students to be causing entrepreneurs leaders in their profession community and the nation.

#### LIST OF FACULTY

S.no	NAME OF THE FACULTY	QUALIFICATION	DESIGNATION
1.	Ravi Shankar Kalva	B.E(Mech),M.Tech (IE&M), MBA, Ph.D	H.O.D & Professor
2.	P. Sampath Kumar	M.Tech	Assistant Professor
3.	B. Sunitha	M.Tech	Assistant Professor
4.	P. C. Srinivasa Rao	M.Tech	Assistant Professor
5.	Ravi chirra	M.Tech	Assistant Professor
6.	PVS Rama prasad	B.Tech	Assistant Professor
7.	K. Swapna Reddy	B.Tech	Assistant Professor
8.	M. Ravi Kumar Goud	B.Tech	Assistant Professor
9.	Chenna Babu	B.Tech	Assistant Professor
10.	Ch. Anil Kumar	B.Tech	Assistant Professor
11.	RampelliOdelu	B.Tech	Assistant Professor
12.	NenavathRamulu	B.Tech	Assistant Professor
13.	L .Venkatesh	B.Tech	Assistant Professor
14.	G. Shankar	B.Tech	Assistant Professor

#### NON- TEACHING STAFF.

S.NO	NAME OF THE FACULTY	QUALIFICATION	DESIGNATION
1.	M. Ram Gopala charyulu	D.A.E, C.T.I.A.T &(B.Tech)	Workshop In-charge
2.	B. Danaiah	B.Tech	Lab Demonstrator
3.	B. Narasimhulu	I.T.I (Diploma)	Lab Assistant
4.	B. Sudhakar	Diploma	Lab Assistant

2.	Industrial Linkage	Industrial visit to BHEL	All mechanical students	2016-17	27/07/2016	Industrial Visit
3.	design of rotor shaft assembly of hammer mill crusher	uppall industries association	R balaiah	2016-17	21-05-2016 to 03-06-2016	Mini Project

### Details of Publications of Journals: 2016-17

S.No	TITLE	JOURNALS	ISSN No No	DATE/YEAR
1	Design and analysis of deep drawing process on angular deep drawing dies for different anisotropic material	IOP publishing	ISSN 1757-899X	2016-17 <a href="https://iopscience.iop.org/article/10.1088/1757-899X/149/1/012142#references">https://iopscience.iop.org/article/10.1088/1757-899X/149/1/012142#references</a>

#### LABORATORIES.

First year lab for all branches.

1. Engineering workshop lab.

2nd Year 1st Semester Lab.

1. Metallurgy and strength of material map.

2nd year 2nd semester labs.

1. Production technology lab.

2. Mechanics of fluids and hydraulic machines.

3rd Year 1st Semester Labs.

1. Thermal engineering lab.

2. Machine tools and metrology.

Third year 2nd semester labs.

1. Heat transfer lab

#### BOOKS PUBLISHED.

1. Authored and published "MANAGEMENT SCIENCE" apostrophe textbook for engineering students, SURE publications Hyderabad.
2. Design data book for counseling counseling and monitoring of students titled "STUDENT PERFORMANCE AND COUNSELING RECORD" which has been approved by the college management.

#### Papers published in National / International Journals.

1. Dr. Ravi Shankar kalva the role of insurance in disaster management research review journal volume 1 No 1 2013.
2. Dr. Ravi Shankar kalva "Gender Perception for Quality of Engineering Education" in JBREC is research review journal volume 1 NO. 2 January 2014.
3. P. Chinna Srinivasa Rao and Y. Dilip Kumar "Kinematics Analysis And Optimum Design Of 8-8 Redundant Special In Parallel Manipulators" in international journal of innovations in engineering and technology(IJIET) volume 2 issue 1 February 2013 ISSN No: 2319-1058.

## SCHOOL OF MANAGEMENT STUDIES

Dr. G. Chandra Sekhar  
MBA PhD  
Professor & Director

### THE MISSION:

To inculcate corporate culture among the students by giving them value based education with all necessary inputs, which will make them an asset in any organization they serve.

### THE COLLEGE:

The JBREC School of Management Studies of Joginpally B. R. Engineering College was **established in the year 2006-2007**. The Department of Management of Studies offers 2-year 4 Semester MBA Programme approved by the All India Council of Technical Education and is affiliated to Jawaharlal Nehru Technological University Hyderabad. The MBA Programme was started during the Academic year 2006-2007. The first Batch of Students have Graduated and many of them were well placed in different companies. The Second Batch students are waiting for Viva Voce Examination.

### THE FACULTY:

The faculty of the Department is a unique blend of talent, qualification and experience in the fields of teaching research and industry.

The JBREC School of Management Studies is headed by **Dr. G. Chandra Sekhar, MBA, Ph.D, PGDIRPM, and PGDCA**, who is innovative and inspiring in character. He teaches Marketing and Systems. He has over 10 years of experience in Industry, Teaching, Research and Consultancy. He has published many research papers in reputed national and international journals. He attended Professional Development Program at Suranari University of Technology, Thailand and alumni of International Space University, France. He also taught in international universities abroad. Presently, he is working as Professor & Head for the School of Management Studies, Joginpally B. R. Engineering College, and Hyderabad, India.

## **9. Faculty Details**

### **(c) Teaching Faculty.**

The Department consists of experienced faculty members and admin staff with expertise in different areas of Management. They are,

1. Dr. G. Chandra Sekhar MBA, PhD. for Marketing and Systems
2. Dr. Naga Krishna Pusuluri B.Sc, MBA, M.Phil, Ph.D for Human Resource Management & Marketing
3. Mr. N. Hari Prasad MBA, LLB, for Finance, Operations Research and Marketing
4. Mrs. G. Keerthi MBA for Quantitatives, Statistics and Human Resource Management
5. Mr. Jalender MBA for Finance & Human Resource Management
6. Mrs. Y. Jyothsna MBA for Human Resource Management & Marketing
7. Ms. Ms. Arshia Tabassum MBA for Finance & Human Resource Management
8. Ms. J. Alekya MBA for Finance
9. Mr. K. Naveen MBA for Finance & Human Resource Management
10. Mrs. K. Poojitha MBA for Human Resource Management
11. Ms. K. Radha MBA for Human Resource Management & Marketing

With the above regular faculty, Admin Staff and some Guest Faculty, the college offers all possible combinations of specialization papers needed for our students.

(d) Non Teaching Faculty.

S.No.	Name of the Faculty	Designation	Qualification
(i)	Madhavi	Attender	SSC

**THE APPROACH:**

JBREC School of Management Studies tries to identify the changing needs of the corporate and tries to shape the student by imparting education to develop the personality that can adapt to various conditions.

So apart from academics, the department also undertakes other development activities like:

- ❖ Case Studies
- ❖ Role Plays
- ❖ Seminars & Workshops
- ❖ Mini Projects
- ❖ Industrial Visits
- ❖ Management Games
- ❖ Group Discussions
- ❖ Audio-Visual Learning
- ❖ Project Works (Individual and Group)
- ❖ BISCON (Business Information Sharing Conference)
- ❖ Biz-Quiz
- ❖ Simulation Exercises
- ❖ Guest lectures by eminent people in academics, research and professionals.

**LIBRARY:**

The college library has over 2000 books relating to various fields in Management, from different publishers and by different authors, which gives huge scope for the students to develop their knowledge. The library also gets a wide range of Biz-journals and Magazines. Books of General Interest and Dictionaries for various disciplines are also made available for instant reference.

**LAB FACILITY**

The college has a spacious air-conditioned computer lab with adequate systems. The systems are provided with UNIX and Windows operating systems with networking facilities. Software installed in

computers are not only pertaining to the syllabus but also relating to the latest Statistical, Financial and Operations Research packages which are made available to the students to facilitate them for analysis of the Project works they undertake. In addition to this The Department is having Communication Lab with

2013-2015	T. SRUTHI	13J21E0023	83.00	Advanced Software's for English and Soft Skills
2014-2016	N. MOUNIKA	14J21E0021	77.53	
2015-2017	M. MADHUSUDAN RAO	15J21E0016	86.40	

Development

## RESULTS:
