FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

Academic Year 2017-18

Suggestions/Recommendations from Stake holders:

Students felt that latest technology lab courses and advanced subjects need to be included to get better job opportunities.

Faculty proposed to increase number of practical oriented courses. Recommended to have more industry connect programmes.

Alumni expressed satisfaction on the content of curriculum and felt that subjects of latest technologies may improve placements.

Employers advised to encourage participative learning and team work. Recommended to have more industry institute interaction and Campus Recruitment Training. They also suggested that the students should have good communication skills and strong aptitude skills.

Action taken:

- Departmental suggestions/recommendations based on stakeholders' feedback are sent to affiliating university for their consideration and approval for upcoming revision of syllabus.
- College introduced Life Skills and Technical Skills Program as add on /value added program for all the students of Engineering and Management.
- Life skill modules are designed and implemented for all the Engineering and Management students which include Communication skills, Personality Development Skills, Management Skills, Aptitude Skills and Employability Skills. These are included as add-on courses in the curriculum in odd semesters. Life Skills enable students to be more competent in dealing with the day-to-day challenges in a positive way.
- Subject related add-on courses are designed by all the departments and offered in even semesters under Technical Skills. This helps students to update themselves with the latest technologies.
- Campus Recruitments Training (CRT) is offered for all final year students to prepare them for placements.
- Organized A National Seminar on "IPR Awareness - Creative India, Innovative India.
- Conducted a Seminar on Summer Research Internship Awareness Program.
- Organized 1st International Conference on Advancements and Innovations in Engineering, Technology & Management.
