## FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

Academic Year 2018-19

### Suggestions/Recommendations from Stake holders:

**Students** suggested the need for more job-oriented training programs for better placements. They also requested to provide career guidance and expert talks.

**Faculty** proposed to increase number of practical oriented courses. Recommended to have more industry connect programmes.

**Alumni** suggested to select emerging domain courses as electives, insisted for the add-on programmes that help the students to improve their technical skills, analytical reasoning and communication skills.

**Employers** recommended to have more industry institute interaction and Skill Development programmes. They also suggested that the students should have good communication skills and strong aptitude skills.

### Action taken:

- Departmental suggestions/recommendations based on stakeholders' feedback are sent to affiliating university for their consideration and approval for upcoming revision of syllabus.
- Life skill modules are being implemented for all the Engineering and Management students which include Communication skills, Personality Development Skills, Management Skills, Aptitude Skills and Employability Skills. These are included as add-on courses in the curriculum in odd semesters. Life Skills enable students to be more competent in dealing with the day-to-day challenges in a positive way.
- Subject related add-on courses are designed by all the departments and offered in even semesters under Technical Skills. This helps students to update themselves with the latest technologies.
- College is associated with IIT-B Spoken Tutorial and CISCO to encourage students to complete certificate courses. Students are also encouraged to enroll for NPTEL.
- Campus Recruitments Training (CRT) is offered for all final year students to prepare them for placements.
- Entrepreneur and Development Cell (EDC) promote Entrepreneurship by conducting guest lectures and seminars by eminent industry persons.
- MOUs with various industries are executed.
- Conducted One Day Seminar on Employability and Future Opportunities in Industry.
- Organized One day Hands on training on Python for Signal Processing
- Conducted seminar on "An Art of Writing Technical Paper".
- Organized two days workshop on "Embedded Systems and IoT"
- Organized two days workshop on PCB Fabrication Workshop
- Conducted a Two Days Workshop on Ethical Hacking.
