## FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

Academic Year 2019-20

### Suggestions/Recommendations from Stake holders:

**Students** are of the feeling that the latest technology lab courses and advanced subjects need to be included to get better job opportunities.

**Faculty** proposed to increase number of practical oriented courses, encourage students to do projects/internships from II year onwards. Recommended to have more industry connect programmes.

**Alumni** expressed satisfaction on the content of curriculum and felt that subjects of latest technologies may improve placements.

**Employers** suggested that along with strong core concepts, students should have good communication skills and strong aptitude skills, as it is first level in interview process.

### Action taken:

- Departmental suggestions/recommendations based on stakeholders' feedback are sent to affiliating university for their consideration and approval for upcoming revision of syllabus.
- Life skill modules are being implemented for all the Engineering and Management students which include Communication skills, Personality Development Skills, Management Skills, Aptitude Skills and Employability Skills. These are included as add-on courses in the curriculum in odd semesters. Life Skills enable students to be more competent in dealing with the day-to-day challenges in a positive way.
- Subject related add-on courses are designed by all the departments and offered in even semesters under Technical Skills. This helps students to update themselves with the latest technologies.
- College is associated with IIT-B Spoken Tutorial and CISCO to encourage students to complete certificate courses. Students are also encouraged to enroll for NPTEL.
- Campus Recruitments Training (CRT) is offered for all final year students to prepare them for placements.
- Entrepreneur and Development Cell (EDC) promotes Entrepreneurship by conducting guest lectures and seminars by eminent industry persons.
- Hands on Training on Assemble of Solar Study Lamp.
- Leadership Talk with Mr. Abhishek Singh, CEO, My Gov. For awareness about COVID19 and fighting Fake News & misinformation and Busting Myths.
- Leadership Talk with Dr. VK Saraswat, Member NITI Aayog Talks about opportunities this COVID crisis offers to India).
- Leadership talk is with Dr. Anand Deshpande, Founder, Chairman & Managing Director, Persistent Systems. Talks about opportunities youngsters/start-ups will have in post Covid world).
